

# PARTIE 1

## LANGUES

Quel que soit votre choix d'école, vous passerez une épreuve comportant deux langues étrangères, dont obligatoirement l'anglais. Cette épreuve dure au total deux heures et vise à vérifier vos connaissances dans les deux langues. Autant d'atouts indispensables pour intégrer un cursus international et envisager une carrière à l'étranger !

### CONTENU DE L'ÉPREUVE

L'épreuve comprend un QCM de 80 questions (40 dans chaque langue) portant sur vos connaissances en grammaire, conjugaison, vocabulaire, formules idiomatiques, faux-amis, notions culturelles, traduction, interprétation, compréhension, nombres/distances/heures et prononciation (pour le chinois).

Chaque question à choix multiples comprend 4 propositions pour lesquelles une seule réponse est juste. Seules les bonnes réponses sont prises en compte.

### CONSEILS

Pour réviser vos bases grammaticales, n'hésitez pas à ressortir vos manuels scolaires, à vous atteler à la lecture régulière d'articles de presse ou de pages internet dans la langue choisie...

#### Gestion du temps

Pour la totalité de cette épreuve (2 langues), vous disposez de deux heures qu'il vous incombe de gérer. Durant cette épreuve, la gestion du temps s'avère cruciale. Lisez d'abord l'ensemble des questions puis répondez en priorité aux plus faciles en gardant pour plus tard celles qui vous demanderont davantage de temps.
